The Tax Software Products listed above are participating in the IRS and Montana Department of Revenue e-file program. Their software is being listed so the Montana Department of Revenue can receive and process income tax returns electronically. The Software Vendors are not contractually associated with Montana Department of Revenue and the Department does not guarantee any aspect of the software, its features, or performance.

Additional software is being developed at this time. The list of approved products is updated on Friday, End of Day (EOD).
